### USA International Procurement Agency, Inc. Continues as Reliable Supply Chains International, Inc.

Barry Kroon, Managing Director and Owner of USA International Procurement Agency, Inc. (IPA), is delighted to announce that effective *May 1, 2019* the company will continue under the name to Reliable Supply Chains International, Inc. (RSC)

The company, established in 1983, has experienced acquisitive and organic growth, and perpetually evolved to meet the unique needs of partners in the international development community and broader global market.

*"We want to ensure the company name and brand image accurately reflect the services we provide, simply put: **reliable supply chain solutions**. The organization, core values, and value add principles will remain the same, and our new branding will focus on the strengths we provide. We are proud of our 30 plus year history and excited to move forward as **Reliable Supply Chains**, providing the same level of outstanding customer service and reliability that our clients have come to rely on."* (Barry Kroon)

Reliable Supply Chains (RSC) will continue to co-brand with the IPA image through 2019, and make a complete transition to RSC at the start of 2020.
