Worldwide

Objective : Provision of books, videocassettes, DVDs and other multimedia materials on a variety of public diplomacy topics for U.S. Agency Offices worldwide.

Materials Catalog: IPA maintains an active price catalog of over 9,000 titles as requested by the mission. Multimedia materials may include books, videocassettes, DVDs, CD-ROMs and more on general public diplomacy topics. The list is continually updated and revised as necessary to maintain current pricing and active titles.

Supply Chain & Logistics : IPA provides warehousing, inventory control, and consolidation at our own on-site facility. Materials are cataloged by end destination prior to consolidation for packing. Shipments are prepared according to the receiving client’s requirement (i.e., via Diplomatic Pouch Mail (DPM), U.S. Despatch Agency (USDA) or Diplomatic Post Office (DPO – APO / FPO). Priority processing and split shipments are available for urgent orders.
