Objective : Provision of relief kits to include: first aid kits, tents, sleeping bags, mosquito nets, satellite phones, portable toilets, portable showers, solar charging panels, etc. Provide a value-added solution for volunteers, to include goods, global logistics, and after-sales support.

Needs Assessment: IPA has partnered with the Agency to identify necessary equipment to be supplied for relief programs worldwide. IPA then tailored custom relief kits to meet the specific needs of the client.

Equipment & Supplies: First aid kits, tents, sleeping bags, mosquito nets, satellite phones, portable toilets, portable showers, solar charging panels, etc.

Supply Chain & Logistics: IPA provides warehousing, inventory control, and consolidation at our own on-site facility. Materials are cataloged by end destination prior to consolidation for packing.
