**New Caledonia**  
(French Territory)

**Project objective:**  
RSC worked with the international NGO to supply them with laptops and additional RAM for their offices in New Caledonia.

#### **Procurement:**

RSC sourced the items for this order from multiple suppliers and brought them in to our Quality Control Center for consolidation. By procuring the goods through different sources in our network of vendors, we were able to acquire the necessary quantity of items while avoiding lengthy lead times and backorder delays; this ensured the client received their order in a timely manner.
