Contract Value : USD 160,000+

RELIABLE SUPPLY CHAINS

Formerly:  Since 1983 

Professional Staff Allocated
Jeremy Jagger—Project Coordinator (USA)

Zimbabwe

The international NGO contracted Reliable Supply Chains International, Inc. to provide tablets and laptops to their office in Harare, Zimbabwe, for the use of the local team stationed in country.

Planning: The international NGO reached out to Reliable Supply Chains with a need to procure hundreds of tablets and laptops for their office in Harare, Zimbabwe. RSC utilized its distribution network and buying power to secure discounted pricing on the hardware.

Pre-Shipment Services: Once the goods transferred to Reliable Supply Chains, RSC arranged for inspection and palletization by RSC's quality control team. After packing, goods transferred to US airport for booking within 48 hours.
